

FRESADORAS

HUSQVARNA CG 200

Art.no: 967 66 23 01

Husqvarna's CG 200 is a highly productive scarifier, designed to remove concrete fast and aggressively. Applications include removing coatings (heavy floor tile mastics and epoxy materials), light or heavy milling, grooving and texturing of walkways to make them slip resistant, removing trip hazards, and levelling misaligned concrete joints and uneven surfaces. Equipped with vibration-dampening handles for operator comfort, hour meter, height adjustment for precise depth of operation and central exhaust for dust extraction for a cleaner working environment. CG 200 is available in electrical (1-phase) or petrol versions.

FEATURES

Convenient controls

Automatic reset to the selected cutting depth and quick release of the drum from the ground.

Ergonomic working position

Adjustable handlebar makes the setting of an ergonomic position easy.

Healthier working environment

The central exhaust for dust extraction makes a cleaner working environment possible.

Contador de horas

Posibilidad de registrar las horas de funcionamiento.

TECHNICAL DATA HUSQVARNA CG 200

Art.no: 967 66 23 01

HUSQVARNA CG 200

MOTOR

Potencia de salida	4 kW
Fuente de alimentación	Gasolina
Emisiones de escape (CO2 EU V)	757 g/kWh

DATOS DEL PRODUCTO

Velocidad de rotación	1,350 rpm
Anchura de trabajo	20 cm
Tipo de operación	Autopropulsado

DIMENSIONES

Longitud del producto	780 mm
Ancho del producto	475 mm
Altura del producto	730 mm
Peso	54 kg
Longitud del embalaje	880 mm
Ancho del embalaje	570 mm
Altura del embalaje	875 mm
Peso bruto del artículo	73,000 g

NIVEL DE POTENCIA DE SONIDO

Nivel de presión sonora en oído	100.1 dB(A)
---------------------------------	-------------

VIBRACIONES

Vibraciones en manillar	12.8 m/s ²
-------------------------	-----------------------
